

APPROVED TESTING AND INSPECTION AGENCIES (Revised August 2011)
(Formerly OBC APPENDIX O)

This is a list of Ohio approved testing laboratories and inspection agencies created in accordance with the provisions of section 114.4 of the OBC. It is intended for use by certified building departments wherever the OBC requires the testing, inspection, labeling or grademarking of materials or assemblies. Whenever a certified building department receives a report from a laboratory or inspection agency or is required by this code to check for labeling or grademarking, the building department must review this appendix to see if the report, label or grademark is from one of the approved agencies listed herein.
